Central Florida Koi Show – Goldfish Show Rules

1. This show is only open to goldfish hobbyists. All fish shown must be the personal and private property of the registrant. This is a hobbyist show; therefore, the entrant cannot be a goldfish professional. For purposes of this show, the definition of a goldfish professional is one who derives income from selling goldfish. Entrants cannot be an immediate relative of a goldfish dealer, an employee of a goldfish dealer, or an agent of a goldfish dealer.
2. The goldfish owner must attend the show and sign the Goldfish Registration Form.
3. Fish should be entered for the show between 2:00 and 5:00 PM on Friday, March 8, 2024, prior to judging on Saturday morning. Plans for late entry of fish must be confirmed with the Goldfish Show Chairman or designate, prior to the show. Registration from 7:30 to 8:30 am Saturday, March 9, 2024, is only with prior arrangement with the Goldfish Show Chairman. We wish to be able to accommodate all exhibitors but advance planning will be necessary for late entries. The Show Chairman will retain the right to deny entry to the show due to late registration.
4. Please plan on 2 - 4 small to medium goldfish per aquarium. With larger goldfish, please plan on 1-2 per aquarium.
5. Measurement of goldfish: This will be determined by the total length of the body, from the tip of the nose to the start of the tail.
6. Goldfish Identification: Goldfish are identified by aquarium assignment at the time of fish entry. All goldfish will be measured at check-in and put into proper class and length by the goldfish committee. The owner of the fish is encouraged to consult with the goldfish committee on benching. The decision on final fish placement is ultimately at the discretion of the Goldfish Judge.
7. Fish will be housed in show tanks at the discretion of the Goldfish Show Chairman. If it is determined that the fish load in any one tank is too great, the Goldfish Show Chairman will arrange to have fish transferred to another aquarium. If you will require a tank size greater than 20 gallons, it may be possible to bring your own tank or make other special arrangements with the Goldfish Show Committee prior to the show.
8. For the health of your fish, it is encouraged that your fish be fasted for several days prior to transport to the show.
9. We encourage each exhibitor to show a minimum of three fish. Fee for goldfish will be \$5 per fish. There will be a minimum tank charge of \$10 per tank for those choosing to exhibit only one fish per tank. PRE-

REGISTRATION IS MANDATORY with a reservation fee of \$10 per tank. The Goldfish Tank Reservation Fee should be postmarked no later than February 9th. The registration form is available on our website.

10. An individual photo of each fish is needed for benching. Digital photos will be taken at no charge.
11. The Goldfish Committee wishes to provide an adequate number of tanks and equipment to accommodate those wishing to exhibit. It is essential to know your needs prior to the show! Please email Luanne Porter at lbporter@embarqmail.com with the following information: (1) The number of 20 gallon goldfish aquariums you will need and (2) the estimated number of goldfish you will be bringing.
12. Fish will be on display for the duration of the show, with removal on Sunday afternoon. All fish must be claimed and removed no later than 3:00 pm Sunday to facilitate show "breakdown". CFKS will not be responsible for fish not removed by this time. Fish are not to be removed without authorization of a show official.
